1. The special meeting was called at 1530 on 3 February 1958 in room 2007 Y Building to discuss a proposed Director of Central Intelligence Directive (DCID) on the subject of exploitation of foreign language publications.

2. The Chairman explained that with the proposed elimination of NSCID-16 and the addition of a pertinent paragraph in NSCID-2 on the exploitation of foreign language publications, there was a concomitant need for an implementing DCID.

3. After considerable discussion of principles and wording, general agreement was reached on the attached draft which will be forwarded to the Deputy Director for Coordination, CIA for presentation to the IAC.

4. Meeting adjourned at 1715. The next regular meeting of the Subcommittee is at 1400 on 7 February in room 1121 M Building.
